'Feel in my heart'

Intro (powerfull)	Fm | Db | Gb/E | C7

Pre-chorus (determined)

Fm   Db
I want to love you,   need you and hold you
Gb/E   C7
Share my whole life with you.
Fm   Db/F
I hate this confusion,   need a solution
Bb/F   Fsus2
To feel in my heart what's true.

Verse 1 (musing)

Fm   I was just fifteen when you caught my attention.

Db   Four years older, cute and strong.

Ab   I fell for you head over heals, no apprehension.

C7   Felt with you I could belong.

1 octave up

Fm   Didn't know you were intruiged, had to discover.

Db   I tried to catch your eye, your heart.

Ab   For the first time I was longing for a lover

C7sus4   C7

Soon a kiss would mark our start.

Chorus 1 (happy)

Fm   Db
Easy to love you,   Need you and hold you,
Gb/E   C7
Starting this life with you.
Fm   Db/F
Any confusion,   Finds a solution
Bb/F   Fsus2
I feel in my heart what's true.

Verse 2 (more intense)

+ backings as echo

Fm   We got married and our bond grew even stronger.

Db   Life together was so new.

Ab   There were ups and downs but love would always conquer.

C7   Opposites attract, it's true.

Fm   So much happened since: our children, houses, issues.

Db   Being different became hard.

Ab   I got stuck inside, burned-out and needed tissues

C7sus4   C7

loving feelings trapped within my frozen heart.
